

**MENTORING PROGRAM REGISTRATION
For Mentors and New Attendees**

Major Orchestra Librarians' Association
30th Annual Conference
May 11-14, 2012
New Orleans, LA

Whether you are attending our conference for the first time, or the thirtieth time, the Major Orchestra Librarians' Association would like to extend our welcome to you by giving you the opportunity to participate in the MOLA Mentoring Program.

The intent of the program is to be simple and informal. If this is your first conference, or you are relatively new to MOLA, a mentor can provide a friendly and supportive contact shortly before, throughout, and perhaps after the annual conference, to answer questions about the structure of and resources offered by MOLA, and to explain the functions of the conference. Conversely, as a more experienced member of MOLA, you may feel encouraged to provide that support to our newcomers. You'll be paired and introduced via e-mail prior to the conference. Then, on May 11th at beginning of the conference's welcome reception, there will be a special area dedicated to the mentors and mentees, where you can be introduced in person and get to know one another. That first reception can be a little overwhelming, with newer people not knowing a lot of other members. The new attendees will have their mentor to introduce them to other experienced MOLA librarians and board members right away! Perhaps even talk to them about joining a committee after the conference!

If you would like to participate in the program please complete this form and email, fax, or mail it to:
